Comment on the SECTION and/or LAB LEADER.

He prepares lots of stuff for section, is great about office hours. He even had individual meetings with all kids in the semester to prepare for the exams.

Comment on the SECTIONS/LABS/STUDIOS. Were they helpful in understanding course material? Were they integral to the course? How could they be improved?

This is the only hour of all my classes that I have NEVER missed.

**COURSE OVERALL**

What preparation or background is necessary to take this course?

A Lot!

Comment on the strengths and weaknesses of the course. How could it be improved?

It was a great course.

Would you recommend this course? Why or why not? What did you gain from this course?

If you want to learn chemistry, this is an awesome course. You get your money's worth from college.

Comment on the SECTION and/or LAB LEADER.

By far the best TF I have had here.

Comment on the SECTIONS/LABS/STUDIOS. Were they helpful in understanding course material? Were they integral to the course? How could they be improved?

Essential, have more TF's like Paul Bracher.

### COURSE OVERALL

What preparation or background is necessary to take this course?

Lots of chemistry

Comment on the strengths and weaknesses of the course. How could it be improved?

Improve the pacing and the amount of practice working.

Would you recommend this course? Why or why not? What did you gain from this course?

No, it's really hard.
