V25.0246, Org. Chem Lab II, Sec.02 Lab TA's Bracher,Paul

- TA! Great—Helped a lot
- TA excellent, helpful
- Paul was an excellent TA. I would definitely say that he clearly explained everything to me, answered all my questions thoroughly, and was always available when I needed him for help. He's one of the best org. lab TA's I've ever had. I would definitely recommend him to a friend taking org.lab.
- Paul was an excellent TA
